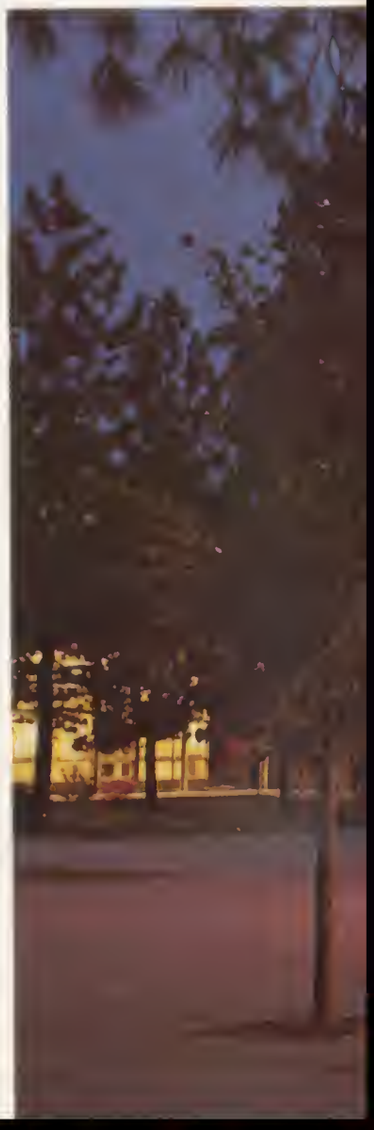
"I'm Just Beginning
to See
Now I'm On My Way,
It Doesn't Matter
to Me
Chasing the Clouds
Away.
The Trees Are
Drawing Me Near
I've Got to
Find Out Why,
Those Gentle Voices
I Hear
Explain It All
With A Sigh."

"Can you imagine us
years from today,
sharing a park bench
quietly?
how terribly strange
to be seventy"

PAUL SIMON



"Try to Realize it's all
Within Yourself
No One Else Can Make
You Change,
And to See You're Really
Only Very Small
And Life flows Within You
And Without You."

we have a system

that will cut your study time in half

Mr. David Thompson, Executive Director

Mr. Paul Wagar
Director of Education & Counseling

Our system is a course that will teach you to read 3 to 10 times faster than you do now
It's not an easy system and it's not a shortcut
It's not a way of learning by osmosis

THE COURSE IS CALLED EVELYN WOOD READING DYNAMICS

"Rates are improving, but more important to me is that I comprehend better also."
F. Patrick Nelson,
U. of W. Student.

"I can see how your mind can actually work faster than we've allowed before--it's very exciting!"
Katy Wade,
High School Student.

"My rates definitely improved. Class more interesting than anticipated.
John W. Murphy,
WSC Student.

"Honestly, I don't believe how my reading speed has increased in such a short time!"
Jo Ann Greico
High School Student

"My reading sure amazes my friends at school. I've had three open book tests so far and I've had three "A+" Only missed one question."
Ed McConkey
High School Student

"Your approach to the study technique subject early in school. It's tremendous!"
Richard Dance,
High School Student.

WHAT NOW, YOUNG FRIEND?

The diploma is in hand, the mission accomplished, the job well done.

What now?

It is only the beginning and you realize it. There are more challenges ahead, more victories to celebrate and more friendships to know.

As you count friends, think of the thousand men and women of WWP Company. They extend to you sincere congratulations and best wishes.

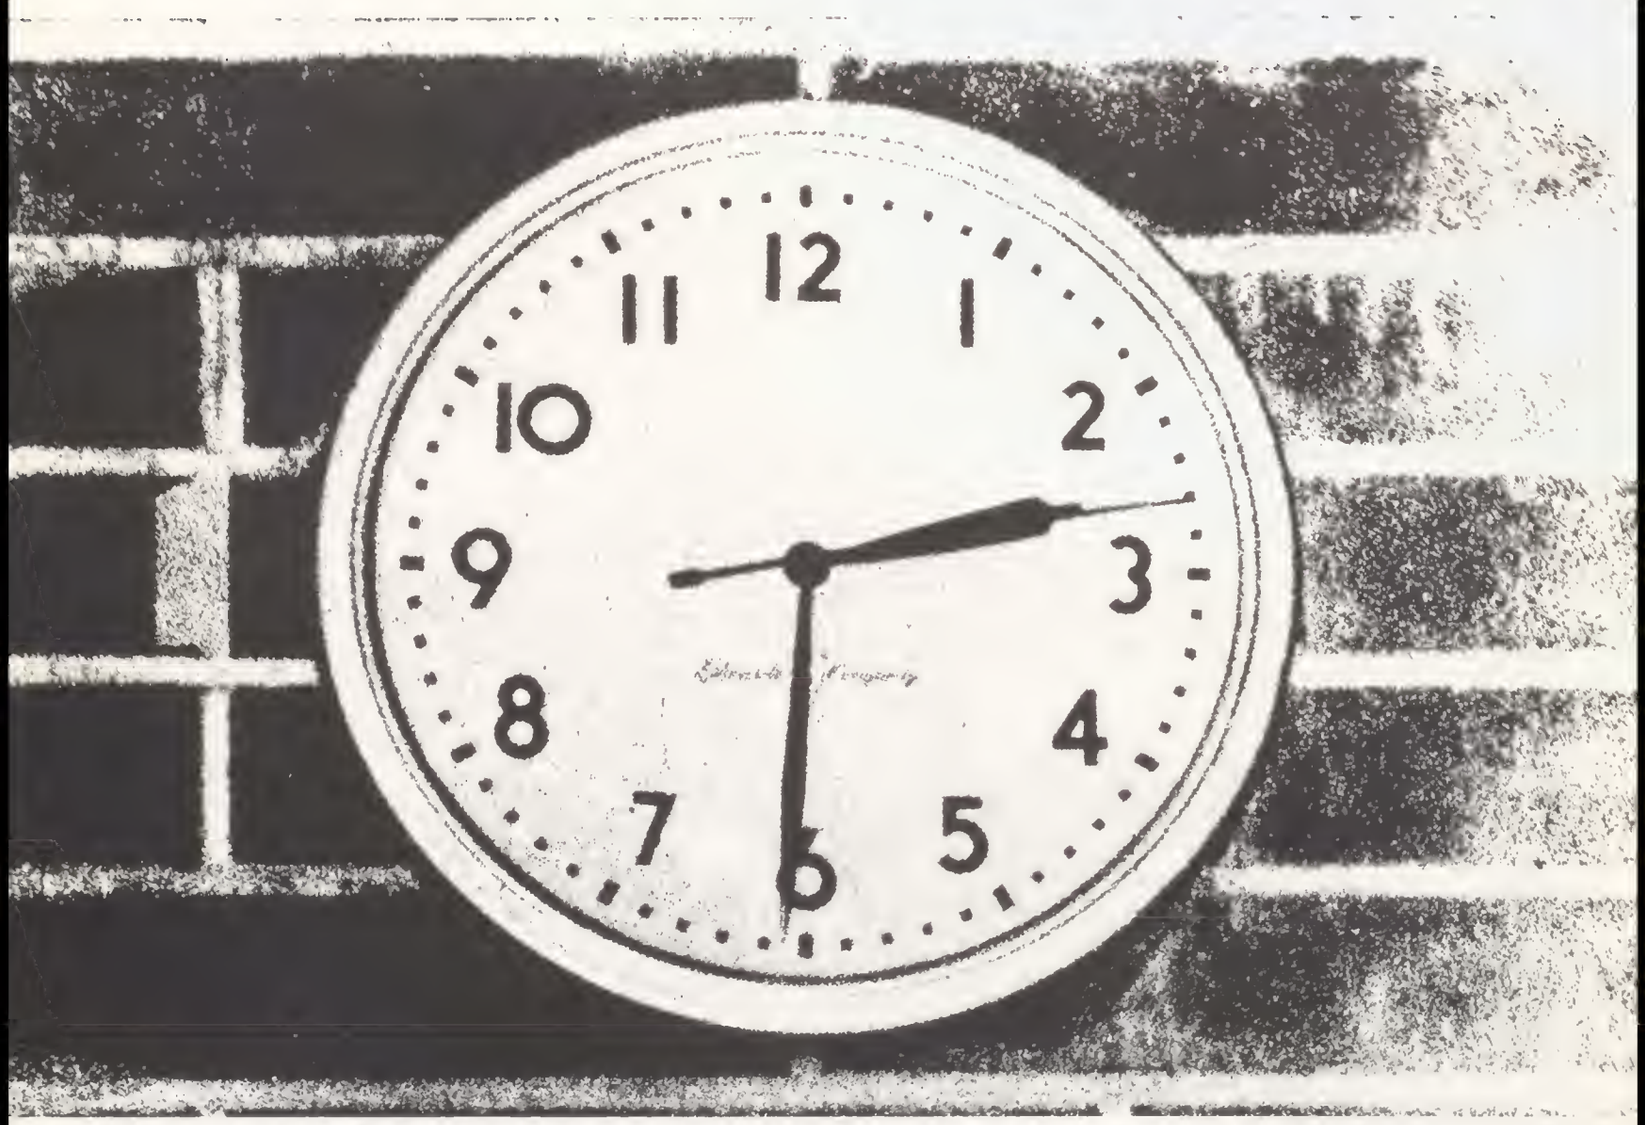
"Time it was,
and what a time it was
It was . . .
a time of innocence
a time of confidences.



long ago . . . it must have been
I have a photograph
Preserve your memories
they're all that's left of you."
